The image shows a modern, glass-walled office pod called the AeroPod Executive Cabin. It is situated in a lush garden with large trees in the background and colorful flowers in the foreground. Inside the pod, two people are working at a long wooden desk with two computer monitors. The interior is bright and modern, with a white ceiling and a central air conditioning unit. A man in a hat is visible in the bottom right corner, working in the garden.

A modern, rectangular office pod with a dark grey wood-grain exterior and a white side panel. It is situated on a rooftop deck with wooden flooring and potted plants. In the background, a city skyline with various skyscrapers is visible under a clear blue sky. The pod has a large window on the left and an open door on the right. Inside, two people are working at a desk with a laptop and a monitor. The overall scene is bright and professional.
